- The Sensory Garden off Hall Leys Park that is advertised on a finger post needs to be revamped. There are not many aromatic plants left. Perhaps with the support of Matlock Town Council the District Council could improve the facility.
- The Twinning visit to Eaubonne is open to all not just councillors.
- Thank you to the Mayor for his year and for everyone listening to the problems and complaints during the year and actioning when necessary.
- There needs to be another dog bin at Knowleston Place as the situation is getting worse.
- The hole in the road at Knowleston Place is getting bigger and deeper and another hole nearby has appeared.

The Meeting closed at 7.36pm.
