YELENA AND ALEX TAYLOR—TWO OF THE WINNERS OF THE 'SPOT THE NOTICEBOARD' COMPETITION

MATLOCK TOWN'S GREENFINGERS CHALLENGE

Are you fed up with these grey days of cold and rain? Looking forward to the sunny, colourful days of summer?

Now it's time to cheer yourselves up by planning your summer planting scheme for the garden. All those gardening books and seed catalogues with their wonderful varieties of plants and shrubs will soon put a smile on your face.

While you're busy scheming, sowing and re-potting, think about entering Matlock Town Council's annual 'Matlock in Bloom' Garden Competition.

Following yet another success last year, a string of prizes and special awards will be on

offer for the 2006 'Matlock in Bloom' competition. Once again this year, competition is expected to be strong not only in the domestic garden entries but also in the business categories with more and more local shops, pubs and hotels entering into friendly rivalry to capture the title for the 'Best Floral Displays in Town'.

In past years Judges have been very impressed by the standard of entries but Councilors are convinced that many a local gardener is *'hiding his light ...'*. Nominations for friends' or neighbours' gardens are encouraged but please make sure they are aware that they have been entered in

the competition or it could be rather a shock when the Judges arrive at their front door.

The closing date is Friday 9 June 2006, so don't be shy or modest, request an entry form and return it to the Imperial Rooms, Imperial Road, Matlock. Further details are available on 01629 57488.

The garden competition is open to Matlock residents only.

NEW FARMERS' MARKETS

ST GEORGE'S DAY FARMERS' MARKET AT THE IMPERIAL ROOMS

Matlock Town Council has taken the lead in bringing Farmers' Markets to the town. The first was held on St George's Day and the second is planned for Saturday, 3 June (9 – 2pm) in Hall Leys Park. This links up with the first weekend of Matlock

Live's week long celebration of the arts and Youth BzR, a celebration of young people's achievements with loads of activities to try in the park. "If these two Farmers' Markets prove a success, Matlock Town Council, working with Derbyshire

Dales District Council have plans to operate a regular market on the third Saturday of each month from July 2006", says Cllr Barry Tipping from Matlock Town Council. Watch the Noticeboards for more information.
