

NEWS RELEASE

FOR IMMEDIATE RELEASE

**AN EASY WAY TO FIND SOMETHING TO DO IN THE MATLOCK AREA  
And win a free Easter Egg**

Do you have events, plays, young people's activities that could benefit from a bit of an extra publicity drive? Matlock Town Council have erected brand new Community Noticeboards for just that purpose.

It's not so much nothing to do, but often finding out about what's on. This is often the comment made by local people and visitors to Matlock. Matlock Town Council, with support from emda, (East Midlands Development Agency) have funded four new Community Noticeboards that now sit proudly around the town.

If you have a community event that you would like to promote on the new noticeboards, simply drop your poster or details of your event to Matlock Town Council, Imperial Rooms. Even email the information to [townclerk@matlock.gov.uk](mailto:townclerk@matlock.gov.uk) and staff will be happy to help you promote your activity.

Look out for them around the town. The first five children aged 10 years or younger who bring the correct four locations of the noticeboards to Matlock Town Council Offices, Imperial Rooms will win an Easter Egg, kindly donated by Somerfield Stores. Hurry as the competition ends on Friday 21 April!

ENDS
